

Unified surgical evaluation

There are 249 questions in this survey

Surgical Data

[]Where did the surgery take place? *

Comment only when you choose an answer.

Please choose all that apply and provide a comment:

☐ At a study participant center

☐ At other site

☐ Not informed / not assessed

[]Date of surgery:

Please enter a date:

[]Date of brachial plexus' injury

Please enter a date:

If in doubt, the answer to this question can be checked at the unified entrance form.

[] $\{(\text{strtotime}(\text{datBpsurgDate}) - \text{strtotime}(\text{datBpinjuryDate})) / 60 / 60 / 24\}$

[]Interval between lesion and surgery:_____ days

[]Which side underwent surgery? *

Choose one of the following answers

Please choose **only one** of the following:

☐ Right

☐ Left

☐ Both

☐ Not informed / not assessed

[]If both, fill-up a form for each one.

Only answer this question if the following conditions are met:

Answer was 'Both' at question '6 [lstBpsurgSide]' (Which side underwent surgery?)

[]Surgical exploration of the brachial plexus? *

Choose one of the following answers

Please choose **only one** of the following:

- ☐ Yes
- ☐ No
- ☐ Not informed

[]Injury level diagnosed after surgical exploration: *

Only answer this question if the following conditions are met:

Answer was 'Yes' at question '8 [yonExplor]' (Surgical exploration of the brachial plexus?)

Check all that apply

Please choose **all** that apply:

- ☐ Preganglionic
- ☐ Postganglionic
- ☐ Not informed

[]Preganglionic injured root(s): *

Only answer this question if the following conditions are met:

Answer was at question '9 [mulExplorInjurySite]' (Injury level diagnosed after surgical exploration:)

Check all that apply

Please choose **all** that apply:

- ☐ C4
- ☐ C5
- ☐ C6
- ☐ C7
- ☐ C8
- ☐ T1
- ☐ T2
- ☐ Not informed

[]Level of the postganglionic surgical exploration ? *

Only answer this question if the following conditions are met:

Answer was at question '9 [mulExplorInjurySite]' (Injury level diagnosed after surgical exploration:)

Check all that apply

Please choose **all** that apply:

- ☐ Roots
- ☐ Trunks
- ☐ Divisions
- ☐ Cords

☐ Not informed

☐ Postganglionic injured root(s): *

Only answer this question if the following conditions are met:

Answer was at question '11 [mulExplorPosgang]' (Level of the postganglionic surgical exploration ?)

Check all that apply

Please choose **all** that apply:

☐ C4

☐ C5

☐ C6

☐ C7

☐ C8

☐ T1

☐ T2

☐ Not informed / not assessed

☐ C4 injury: *

Only answer this question if the following conditions are met:

Answer was 'C4' at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

☐ Neuroma

☐ Rupture

☐ Continuity injury

☐ Not informed / not assessed

☐ Other:

☐ C5 injury: *

Only answer this question if the following conditions are met:

Answer was at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

☐ Neuroma

☐ Rupture

☐ Continuity injury

☐ Not informed / not assessed

☐ Other:

☐ C6 injury: *

Only answer this question if the following conditions are met:

Answer was at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[]C7 injury: *

Only answer this question if the following conditions are met:

Answer was at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[]C8 injury: *

Only answer this question if the following conditions are met:

Answer was at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[]T1 injury:

Only answer this question if the following conditions are met:

Answer was at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[]T2 injury: *

Only answer this question if the following conditions are met:

Answer was 'T2' at question '12 [mulExplorRoot]' (Postganglionic injured root(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed
- ☐ Other:

[]Injured Trunk(s): *

Only answer this question if the following conditions are met:

Answer was 'Trunks' at question '11 [mulExplorPosgang]' (Level of the postganglionic surgical exploration ?)

Check all that apply

Please choose **all** that apply:

- ☐ Upper
- ☐ Middle
- ☐ Lower
- ☐ Not informed / not assessed

[]Upper trunk injury: *

Only answer this question if the following conditions are met:

Answer was at question '20 [mulExplorTrunk]' (Injured Trunk(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed
- ☐ Other:

[]Middle trunk injury: *

Only answer this question if the following conditions are met:

Answer was at question '20 [mulExplorTrunk]' (Injured Trunk(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[] Lower trunk injury: *

Only answer this question if the following conditions are met:

Answer was at question '20 [mulExplorTrunk]' (Injured Trunk(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

[] Injured division(s): *

Only answer this question if the following conditions are met:

Answer was 'Divisions' at question '11 [mulExplorPosgang]' (Level of the postganglionic surgical exploration ?)

Check all that apply

Please choose **all** that apply:

- ☐ anterior division upper trunk
- ☐ posterior division upper trunk
- ☐ anterior division middle trunk
- ☐ posterior division middle trunk
- ☐ anterior division lower trunk
- ☐ posterior division lower trunk
- ☐ Not informed / not assessed

[] Injury of the anterior division of the upper trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐ Injury of the posterior division of the upper trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed
- ☐ Other:

☐ Injury of the anterior division of the middle trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed
- ☐ Other:

☐ Injury of the posterior division of the middle trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed
- ☐ Other:

☐ Injury of the anterior division of the lower trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐ Injury of the posterior division of the lower trunk: *

Only answer this question if the following conditions are met:

Answer was at question '24 [mulExplorDivision]' (Injured division(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐ Injured cord(s): *

Only answer this question if the following conditions are met:

Answer was 'Cords' at question '11 [mulExplorPosgang]' (Level of the postganglionic surgical exploration ?)

Check all that apply

Please choose **all** that apply:

- ☐ Lateral
- ☐ Posterior
- ☐ Medial
- ☐ Not informed / not assessed

☐ Lateral cord injury: *

Only answer this question if the following conditions are met:

Answer was at question '31 [mulExplorCord]' (Injured cord(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐ Posterior cord injury: *

Only answer this question if the following conditions are met:

Answer was at question '31 [mulExplorCord]' (Injured cord(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐Medial cord injury: *

Only answer this question if the following conditions are met:

Answer was at question '31 [mulExplorCord]' (Injured cord(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Neuroma
- ☐ Rupture
- ☐ Continuity injury
- ☐ Not informed / not assessed

☐ Other:

☐Surgical procedures : *

Check all that apply

Please choose **all** that apply:

- ☐ Neurolysis
- ☐ Nerve transfer
- ☐ Graft
- ☐ Neuroma dissection
- ☐ Not informed / not assessed

☐What level(s) of neurolysis? *

Only answer this question if the following conditions are met:

Answer was at question '35 [mulBpsurgeryType]' (Surgical procedures :)

Check all that apply

Please choose **all** that apply:

- ☐ Root
- ☐ Trunk
- ☐ Division
- ☐ Cord
- ☐ Nerve
- ☐ Not informed / not assessed

☐ Other:

[]

Neurolysis of which root(s)? *

Only answer this question if the following conditions are met:

Answer was at question '36 [mullLysisSite]' (What level(s) of neurolysis?)

Check all that apply

Please choose **all** that apply:

☐ C4

☐ C5

☐ C6

☐ C7

☐ C8

☐ T1

☐ T2

☐ Other:

[] Neurolysis of which trunk(s)? *

Only answer this question if the following conditions are met:

Answer was at question '36 [mullLysisSite]' (What level(s) of neurolysis?)

Check all that apply

Please choose **all** that apply:

☐ Upper

☐ Middle

☐ Lower

☐ Not informed / not assessed

[] Neurolysis of which division(s)? *

Only answer this question if the following conditions are met:

Answer was at question '36 [mullLysisSite]' (What level(s) of neurolysis?)

Check all that apply

Please choose **all** that apply:

☐ anterior division upper trunk

☐ posterior division upper trunk

☐ anterior division middle trunk

☐ posterior division middle trunk

☐ anterior division lower trunk

☐ posterior division lower trunk

☐ Not informed / not assessed

[]Neurolysis of which cord(s)? *

Only answer this question if the following conditions are met:

Answer was at question '36 [mulLysisSite]' (What level(s) of neurolysis?)

Check all that apply

Please choose **all** that apply:

- ☐ Lateral
- ☐ Posterior
- ☐ Medial
- ☐ Not informed / not assessed

[]Neurolysis of which nerve(s)? *

Only answer this question if the following conditions are met:

Answer was at question '36 [mulLysisSite]' (What level(s) of neurolysis?)

Check all that apply

Please choose **all** that apply:

- ☐ Dorsal scapular nerve
- ☐ Subclavian nerve
- ☐ Suprascapular nerve
- ☐ Lateral pectoral nerve
- ☐ Medial pectoral nerve
- ☐ Medial cutaneous nerve of arm
- ☐ Medial cutaneous nerve of forearm
- ☐ Long thoracic nerve
- ☐ Superior subscapular nerve
- ☐ Inferior subscapular nerve
- ☐ Thoracodorsal nerve
- ☐ Musculocutaneous nerve
- ☐ Axillary nerve
- ☐ Radial nerve
- ☐ Median nerve
- ☐ Ulnar nerve
- ☐ Phrenic nerve
- ☐ Accessory nerve
- ☐ First intercostal nerve
- ☐ Not informed / not assessed
- ☐ Other:

Brachial plexus nerves and/or extraplexual nerver

[]Nerve transfer: *

Only answer this question if the following conditions are met:

Answer was at question '35 [mulBpsurgeryType]' (Surgical procedures :)

Check all that apply

Please choose **all** that apply:

- ☐ Accessory-SE by anterior access
- ☐ Accessory-SE by posterior access
- ☐ Oberlin
- ☐ Intercostal - Musculocutaneous
- ☐ Accessory - Musculocutaneous
- ☐ Medial pectoral - Musculocutaneous
- ☐ Medial pectoral - Axillary
- ☐ Triceps (Lo/M/La) - Axillary (trunk/ anterior division)
- ☐ Phrenic - Musculocutaneous
- ☐ Intercostal - Axillary (trunk/ anterior division)
- ☐ Phrenic - Accessory
- ☐ Median - Musculocutaneous
- ☐ Median - Brachial branch
- ☐ Ipsilateral C7
- ☐ Contralateral C7
- ☐ Double transfer
- ☐ Not informed / not assessed
- ☐ Other transfer

[]Which transfer(s) has been done?

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Please write your answer here:

[]Types of repairs used in the nerve transfer - Accessory-SE by anterior access: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Accessory-SE by posterior access: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Oberlin: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Intercostal - musculocutaneous: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization

- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Accessory - musculocutaneous: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Medial pectoral - musculocutaneous: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Medial pectoral - axillary: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Triceps

(Lo/M/La) - axillary (trunk/ anterior division): *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Phrenic - musculocutaneous: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Intercostal - axillary (trunk/ anterior division): *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Phrenic - accessory: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Median - musculocutaneous: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Median - Brachial Branch: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - C7 ipsilateral: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Contralateral C7: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Double transfer: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Types of repairs used in the nerve transfer - Other transfer: *

Only answer this question if the following conditions are met:

Answer was at question '42 [mulTransfSite]' (Nerve transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Tubulization
- ☐ Graft
- ☐ Not informed / not assessed

[]Which materials were used for tubulization in Accessory-SE by anterior access transfer? *

Only answer this question if the following conditions are met:

Answer was at question '44 [mulAcSsAATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by anterior access:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Accessory-SE by posterior access transfer? *

Only answer this question if the following conditions are met:

Answer was at question '45 [mulAcSsPATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by posterior access:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Oberlin transfer? *

Only answer this question if the following conditions are met:

Answer was at question '46 [mulOberlinTxRepair]' (Types of repairs used in the nerve transfer - Oberlin:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Intercostal - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '47 [mulIMcTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - musculocutaneous:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Accessory - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '48 [mulAcMcTxRepair]' (Types of repairs used in the nerve transfer - Accessory - musculocutaneous:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Medial pectoral - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '49 [mulMPMcTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - musculocutaneous:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Medial pectoral - Axillary transfer? *

Only answer this question if the following conditions are met:

Answer was at question '50 [mulMPAxTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - axillary:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Triceps (Lo/M/La) - Axillary (trunk/ anterior division) transfer? *

Only answer this question if the following conditions are met:

Answer was at question '51 [mulTrAxTxRepair]' (Types of repairs used in the nerve transfer - Triceps (Lo/M/La) - axillary (trunk/ anterior division):)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Phrenic - musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '52 [mulPhMcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - musculocutaneous:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Intercostal - Axillary (trunk/ anterior division) transfer? *

Only answer this question if the following conditions are met:

Answer was at question '53 [mulAxTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - axillary (trunk/ anterior division):)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Phrenic - accessory transfer? *

Only answer this question if the following conditions are met:

Answer was at question '54 [mulPhAcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - accessory:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Median - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '55 [mulMeMcTxRepair]' (Types of repairs used in the nerve transfer - Median - musculocutaneous:)

Please write your answer here:

Describe the type of material used

☐ Which materials were used for tubulization in Median - Brachial branch transfer? *

Only answer this question if the following conditions are met:

Answer was at question '56 [mulMeBrTxRepair]' (Types of repairs used in the nerve transfer - Median - Brachial Branch:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Ipsilateral C7 transfer? *

Only answer this question if the following conditions are met:

Answer was at question '57 [mulC7ipsiTxRepair]' (Types of repairs used in the nerve transfer - C7 ipsilateral:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Contralateral C7 transfer? *

Only answer this question if the following conditions are met:

Answer was at question '58 [mulC7contTxRepair]' (Types of repairs used in the nerve transfer - Contralateral C7:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Double transfer? *

Only answer this question if the following conditions are met:

Answer was at question '59 [mulDoubleTxRepair]' (Types of repairs used in the nerve transfer - Double transfer:)

Please write your answer here:

Describe the type of material used

[]Which materials were used for tubulization in Other transfer? *

Only answer this question if the following conditions are met:

Answer was at question '60 [mulOtherTxRepair]' (Types of repairs used in the nerve transfer - Other transfer:)

Please write your answer here:

Describe the type of material used

[]Graft origin(s) in Accessory-SE by anterior access transfer: *

Only answer this question if the following conditions are met:

Answer was at question '44 [mulAcSsAATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by anterior access:)

Check all that apply

Please choose **all** that apply:

☐ sural nerve

☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Accessory-SE by posterior access transfer: *

Only answer this question if the following conditions are met:

Answer was at question '45 [mulAcSsPATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by posterior access:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Oberlin transfer: *

Only answer this question if the following conditions are met:

Answer was at question '46 [mulOberlinTxRepair]' (Types of repairs used in the nerve transfer - Oberlin:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Intercostal - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '47 [mulMcTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - musculocutaneous:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Accessory - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '48 [mulAcMcTxRepair]' (Types of repairs used in the nerve transfer - Accessory - musculocutaneous:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Medial pectoral - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '49 [mulMPMcTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - musculocutaneous:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[] Graft origin(s) in Medial pectoral - Axillary transfer: *

Only answer this question if the following conditions are met:

Answer was at question '50 [mulMPAxTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - axillary:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[] Graft origin(s) in Triceps (Lo/M/La) - Axillary (trunk/ anterior division) transfer: *

Only answer this question if the following conditions are met:

Answer was at question '51 [mulTrAxTxRepair]' (Types of repairs used in the nerve transfer - Triceps (Lo/M/La) - axillary (trunk/ anterior division):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[] Graft origin(s) in Phrenic - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '52 [mulPhMcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - musculocutaneous:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[] Graft origin(s) in Intercostal - Axillary (trunk/ anterior division) transfer: *

Only answer this question if the following conditions are met:

Answer was at question '53 [mulIAxTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - axillary (trunk/ anterior division):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Phrenic - Accessory transfer: *

Only answer this question if the following conditions are met:

Answer was at question '54 [mulPhAcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - accessory:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Median - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '55 [mulMeMcTxRepair]' (Types of repairs used in the nerve transfer - Median - musculocutaneous:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Median - Brachial branch transfer: *

Only answer this question if the following conditions are met:

Answer was at question '56 [mulMeBrTxRepair]' (Types of repairs used in the nerve transfer - Median - Brachial Branch:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Ipsilateral C7 transfer: *

Only answer this question if the following conditions are met:

Answer was at question '57 [mulC7ipsiTxRepair]' (Types of repairs used in the nerve transfer - C7 ipsilateral:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Contralateral C7 transfer: *

Only answer this question if the following conditions are met:

Answer was at question '58 [mulC7contTxRepair]' (Types of repairs used in the nerve transfer - Contralateral C7:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Double transfer: *

Only answer this question if the following conditions are met:

Answer was at question '59 [mulDoubleTxRepair]' (Types of repairs used in the nerve transfer - Double transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]Graft origin(s) in Other transfer: *

Only answer this question if the following conditions are met:

Answer was at question '60 [mulOtherTxRepair]' (Types of repairs used in the nerve transfer - Other transfer:)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]How many grafts were used in Accessory-SE by anterior access transfer? *

Only answer this question if the following conditions are met:

Answer was at question '44 [mulAcSsAATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by anterior access:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Accessory-SE by posterior access transfer? *

Only answer this question if the following conditions are met:

Answer was at question '45 [mulAcSsPATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by posterior access:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Oberlin transfer? *

Only answer this question if the following conditions are met:

Answer was at question '46 [mulOberlinTxRepair]' (Types of repairs used in the nerve transfer - Oberlin:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Intercostal - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '47 [mulIMcTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - musculocutaneous:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Accessory - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '48 [mulAcMcTxRepair]' (Types of repairs used in the nerve transfer - Accessory - musculocutaneous:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts? *

Only answer this question if the following conditions are met:

Answer was at question '49 [mulMPMcTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - musculocutaneous:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2

- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

☐ Other

[]How many grafts were used in Medial pectoral - Axillary transfer? *

Only answer this question if the following conditions are met:

Answer was at question '50 [mulMPAxTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - axillary:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

☐ Other

[]How many grafts were used in Triceps (Lo/M/La) - Axillary (trunk/ anterior division) transfer? *

Only answer this question if the following conditions are met:

Answer was at question '51 [mulTrAxTxRepair]' (Types of repairs used in the nerve transfer - Triceps (Lo/M/La) - axillary (trunk/ anterior division):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

☐ Other

[]How many grafts were used in Phrenic -

Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '52 [mulPhMcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - musculocutaneous:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Intercostal - Axillary (trunk/ anterior division) transfer? *

Only answer this question if the following conditions are met:

Answer was at question '53 [mulAxTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - axillary (trunk/ anterior division):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Phrenic - Accessory transfer? *

Only answer this question if the following conditions are met:

Answer was at question '54 [mulPhAcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - accessory:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3

- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Median - Musculocutaneous transfer? *

Only answer this question if the following conditions are met:

Answer was at question '55 [mulMeMcTxRepair]' (Types of repairs used in the nerve transfer - Median - musculocutaneous:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Median - Brachial branch transfer? *

Only answer this question if the following conditions are met:

Answer was at question '56 [mulMeBrTxRepair]' (Types of repairs used in the nerve transfer - Median - Brachial Branch:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Ipsilateral C7 transfer?

*

Only answer this question if the following conditions are met:

Answer was at question '57 [mulC7ipsiTxRepair]' (Types of repairs used in the nerve transfer - C7 ipsilateral:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Contralateral C7 transfer? *

Only answer this question if the following conditions are met:

Answer was at question '58 [mulC7contTxRepair]' (Types of repairs used in the nerve transfer - Contralateral C7:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed
- ☐ Other

[]How many grafts were used in Double transfer? *

Only answer this question if the following conditions are met:

Answer was at question '59 [mulDoubleTxRepair]' (Types of repairs used in the nerve transfer - Double transfer:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2

- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

☐ Other

[]How many grafts were used in the Other transfer? *

Only answer this question if the following conditions are met:

Answer was at question '60 [mulOtherTxRepair]' (Types of repairs used in the nerve transfer - Other transfer:)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

☐ Other

[]Graft's extent(s) used in Accessory-SE by anterior access transfer: *

Only answer this question if the following conditions are met:

Answer was at question '44 [mulAcSsAATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by anterior access:)

Please write your answer here:

[]Graft's extent(s) used in Accessory-SE by posterior access transfer: *

Only answer this question if the following conditions are met:

Answer was at question '45 [mulAcSsPATxRepair]' (Types of repairs used in the nerve transfer - Accessory-SE by posterior access:)

Please write your answer here:

☐ Graft's extent(s) used in Oberlin transfer: *

Only answer this question if the following conditions are met:

Answer was at question '46 [mulOberlinTxRepair]' (Types of repairs used in the nerve transfer - Oberlin:)

Please write your answer here:

☐ Graft's extent(s) used in Intercostal -
Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '47 [mulMcTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - musculocutaneous:)

Please write your answer here:

☐ Graft's extent(s) used in Accessory -
Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '48 [mulAcMcTxRepair]' (Types of repairs used in the nerve transfer - Accessory - musculocutaneous:)

Please write your answer here:

☐ Graft's extent(s) used in Medial pectoral -
Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '49 [mulMPMcTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - musculocutaneous:)

Please write your answer here:

☐ Graft's extent(s) used in Medial pectoral - Axillary
transfer: *

Only answer this question if the following conditions are met:

Answer was at question '50 [mulMPAxTxRepair]' (Types of repairs used in the nerve transfer - Medial pectoral - axillary:)

Please write your answer here:

[]Graft's extent(s) used in Triceps (Lo/M/La) - Axillary (trunk/ anterior division) transfer: *

Only answer this question if the following conditions are met:

Answer was at question '51 [mulTrAxTxRepair]' (Types of repairs used in the nerve transfer - Triceps (Lo/M/La) - axillary (trunk/ anterior division):)

Please write your answer here:

[]Graft's extent(s) used in Phrenic - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '52 [mulPhMcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - musculocutaneous:)

Please write your answer here:

[]Graft's extent(s) used in Intercostal - Axillary (trunk/ anterior division) transfer: *

Only answer this question if the following conditions are met:

Answer was at question '53 [mulIaTxRepair]' (Types of repairs used in the nerve transfer - Intercostal - axillary (trunk/ anterior division):)

Please write your answer here:

[] Graft's extent(s) used in Phrenic - Accessory transfer: *

Only answer this question if the following conditions are met:

Answer was at question '54 [mulPhAcTxRepair]' (Types of repairs used in the nerve transfer - Phrenic - accessory:)

Please write your answer here:

[] Graft's extent(s) used in Median - Musculocutaneous transfer: *

Only answer this question if the following conditions are met:

Answer was at question '55 [mulMeMcTxRepair]' (Types of repairs used in the nerve transfer - Median - musculocutaneous:)

Please write your answer here:

[] Graft's extent(s) used in Median - Brachial branch transfer: *

Only answer this question if the following conditions are met:

Answer was at question '56 [mulMeBrTxRepair]' (Types of repairs used in the nerve transfer - Median - Brachial Branch:)

Please write your answer here:

[] Graft's extent(s) used in Ipsilateral C7 transfer: *

Only answer this question if the following conditions are met:

Answer was at question '57 [mulC7ipsiTxRepair]' (Types of repairs used in the nerve transfer - C7 ipsilateral:)

Please write your answer here:

[] Graft's extent(s) used in Contralateral C7 transfer: *

Only answer this question if the following conditions are met:

Answer was at question '58 [mulC7contTxRepair]' (Types of repairs used in the nerve transfer - Contralateral C7:)

Please write your answer here:

[] Graft's extent(s) used in Double transfer: *

Only answer this question if the following conditions are met:

Answer was at question '59 [mulDoubleTxRepair]' (Types of repairs used in the nerve transfer - Double transfer:)

Please write your answer here:

[] Graft's extent(s) used in Other transfer: *

Only answer this question if the following conditions are met:

Answer was at question '60 [mulOtherTxRepair]' (Types of repairs used in the nerve transfer - Other transfer:)

Please write your answer here:

[]
Grafting in which level(s)? *

Only answer this question if the following conditions are met:

Answer was at question '35 [mulBpsurgeryType]' (Surgical procedures :)

[]Grafted from which nerve(s): *

Only answer this question if the following conditions are met:

Answer was at question '129 [mulGraftLevel]' (Grafting in which level(s)?)

Check all that apply

Please choose **all** that apply:

- ☐ Dorsal scapular nerve
- ☐ Subclavian nerve
- ☐ Suprascapular nerve
- ☐ Lateral pectoral nerve
- ☐ Medial pectoral nerve
- ☐ Medial cutaneous nerve of arm
- ☐ Medial cutaneous nerve of forearm
- ☐ Long thoracic nerve
- ☐ Superior subscapular nerve
- ☐ Inferior subscapular nerve
- ☐ Thoracodorsal nerve
- ☐ Musculocutaneous nerve
- ☐ Axillary nerve
- ☐ Radial nerve
- ☐ Median nerve

- ☐ Ulnar nerve
- ☐ Phrenic nerve
- ☐ Accessory nerve
- ☐ First intercostal nerve
- ☐ Not informed / not assessed
- ☐ Other:

Brachial plexus nerves and/or extraplexual nerver

[]Dorsal scapular nerve graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed
- ☐ Other:

[]How many grafts were used in Dorsal scapular nerve? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

[]Dorsal scapular nerve graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[]Types of repairs used in the Dorsal scapular nerve graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Not informed / not assessed

☐ Other:

[]Subclavian nerve graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]How many grafts were used in Subclavian nerve? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

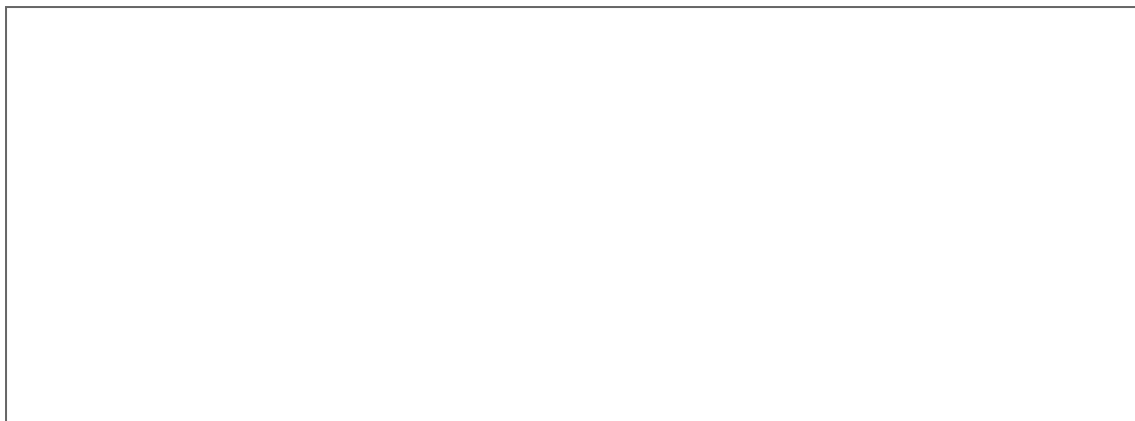

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

[]Subclavian nerve graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[]Types of repairs used in the Subclavian nerve graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

☐ Suture

☐ Glue

☐ Not informed / not assessed

☐ Other:

[]Suprascapular nerve graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

☐ sural nerve

☐ Not informed / not assessed

☐ Other:

[]How many grafts were used in Suprascapular nerve? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

☐ 1

☐ 2

☐ 3

☐ 4

☐ 5

☐ 6☐ Not informed / not assessed

[]Suprascapular nerve graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[]Types of repairs used in the Suprascapular nerve graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

☐ Suture☐ Glue☐ Not informed / not assessed☐ Other:

[]Lateral pectoral nerve graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

☐ sural nerve☐ Not informed / not assessed☐ Other:

[]How many grafts were used in Lateral pectoral nerve? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

[] Lateral pectoral nerve graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[] Types of repairs used in the Lateral pectoral nerve graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Not informed / not assessed
- ☐ Other:

[] Medial pectoral nerve graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed

☐ Other:

[]How many grafts were used in Medial pectoral nerve? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

[]Medial pectoral nerve graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[]Types of repairs used in the Medial pectoral nerve graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Not informed / not assessed
- ☐ Other:

[]Medial cutaneous nerve of arm graft's origin: *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ sural nerve
- ☐ Not informed / not assessed
- ☐ Other:

[]How many grafts were used in Medial cutaneous nerve of arm? *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Choose one of the following answers

Please choose **only one** of the following:

- ☐ 1
- ☐ 2
- ☐ 3
- ☐ 4
- ☐ 5
- ☐ 6
- ☐ Not informed / not assessed

[]Medial cutaneous nerve of arm graft's extent(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Please write your answer here:

[]Types of repairs used in the Medial cutaneous nerve of arm graft(s): *

Only answer this question if the following conditions are met:

Answer was at question '172 [mulGraftNerve]' (Grafted from which nerve(s):)

Check all that apply

Please choose **all** that apply:

- ☐ Suture
- ☐ Glue
- ☐ Not informed / not assessed
